Equipping biblical communicators so that every culture can hear God's voice

Quality, affordable instruction in biblical communication

CrossTalk Global offers training for those involved in teaching, preaching and leadership ministries. Available in 1, 2 or 3-day formats, these seminars can be customized to meet the needs of specific churches or organizations.

These events will not only encourage and inspire, but also provide the practical skills necessary for God's people to teach and lead effectively.

Dr. Kent Edwards or other CrossTalk Global instructors may also be available to speak at weekend events.

While it is possible to customize our seminars to fit your particular needs, the following combinations have proven to be helpful in a variety of situations.
